Project Name	Project - Personal Expense Tracker Application
Maximum Marks	2 Marks

Customer Problem Statement:

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	User	Limit and manage the expenses	I end up spending more than I intended to	I couldn't keep track of my expenses and was careless in calculations	Extravagant
PS-2	A person who wants to manage finances	Develop budget plan	I have no time	Keeping track of money spent in paper makes it a tedious process	Unsure about my monthly expenses
